## Support on innovation procurement

In order to promote innovative solutions and increase knowledge and skills in innovation procurement, the PTI provides the following support:

- ◆ Support materials - website, guidance documents, weekly newsletters
- ◆ Dissemination of EU PCP and PPI calls for proposals
- ◆ Support to and co-operation with PCP and PPI projects with our EU colleagues
- ◆ Support to and co-operation with buyers' and sellers networks
- ◆ Online procurement community which facilitates peer-to-peer learning, innovation, social inclusion and sustainable solutions

The PTI has a particular focus on innovation procurement and we promote and collaborate with our partners in the Health Business Services to promote innovation through best practices procurement.

## Procurement education and training

PTI is aligned with three Irish universities and amongst other, offers educational, training and coaching services. Through our partnerships, PTI has a unique position in P2I and we collaborate regularly and share case studies, best practices, resources and knowledge. PTI's growing community consists of full and part-time buyers, procurement academics, professionals, industry leaders and subject matter experts. We are involved in designing and delivering procurement best practices at various level and in modular and blended learning formats:

- ◆ Certified Diploma, Degree and Masters Education on Supply Chain, Sustainability and Innovation Procurement
- ◆ Bespoke training Courses for public and private procurement teams
- ◆ Management of Innovation Procurement Projects and Sustainable Projects for Public Procurement Learners, as part of the diploma facilitated by the Universities.
- ◆ Support with National Procurement Plans

## Procurement impact

The Procurement Transformation Institute shares its experiences through lectures, trainings, workshops, conferences and seminars and aims to make a difference for:

1. **The individual through:** Career development / Wage growth remuneration / Work satisfaction
2. **The organisation with:** Lower costs, higher profit, margins / Better governance / Sustainable growth
3. **The Irish Economy delivering:** Job creation / International reach
4. **In Europe promoting:** Innovation through PCP and PPI / Sustainable and Circular Economy

## THE EUROPEAN NETWORK OF COMPETENCE CENTRES FOR INNOVATION PROCUREMENT

Procure2Innovate aims to improve institutional support for public procurers implementing innovation procurement in a range of sectors. It will do this by both establishing new innovation procurement competence centres, and enlarging the scope of support offered by existing competence centres in 10 European countries.
