

ITALY – CONSIP

Innovative procurement is the way public authorities acquire goods and services, with a view to improve efficiency and sustainability to face societal challenges. CONSIP, the National Procurement Body of Italy 100% owned by the Italian Ministry of Economy and Finance, is actively committed to support and implement these procedures throughout the **Rationalisation of Public Spending Programme and Digital Agenda Initiatives - Strategic three-year plan for ICT in Italy**.

The Competence Centre is devoted to give support to:

- Procurers,
- Public Authorities,
- Suppliers, and
- Citizens

Assistance with Pre-commercial procurement

Assistance on the Network managed at Italian level

THE EUROPEAN NETWORK OF COMPETENCE CENTRES FOR INNOVATION PROCUREMENT

Procure2Innovate aims to improve institutional support for public procurers implementing innovation procurement in a range of sectors. It will do this by both establishing new innovation procurement competence centres, and enlarging the scope of support offered by existing competence centres in 10 European countries.
